

Prince's Trust

The Prince's Trust Team Programme will not just give you confidence, but also the opportunity to gain these qualifications:

OCR – Level 1 Employability Skills qualification encourages learners to enter and progress in employment.

This qualification offers core employment skills ranging from interviews and practical tasks such as preparing for and learning from a work placement to presenting personal information effectively.

The skills that you develop through the Employability Skills qualification will help you in everyday life as well as help you to prepare and succeed in employment.

NOCN – Level 1 Progression (Step Up) qualification is designed to support you to progress in learning and work, whilst also encouraging participation within your community. This qualification is ideal for developing skills in learning for life, work and personal development.

Basic First Aid – A one day course which will give you important first aid skills like CPR and how to put someone in the correct recovery position.

You'll also undertake basic **Food Hygiene** and **Health and Safety** induction and familiarisation.
