

## L3 Advanced Apprenticeship - Warehousing and Storage

### What is this Apprenticeship about?

This Apprenticeship will help to upskill existing staff working within the sector or we can help you recruit apprentices wishing to pursue this career.

Apprentices will gain skills to operate as a Team Leader, in addition to normal warehouse operational duties. Increased knowledge of the systems allows for improved understanding on the impact to the wider business.

Our tailored training will precisely match your needs, resulting in a well-trained, capable workforce. Delivery will be in the workplace, providing a cost effective & efficient means of upskilling your staff. An industry specialist Assessor will support you & your Apprentice throughout the process.

### How is this Apprenticeship delivered?

On and off the job training within the Workplace

### What else do I need to know?

Main intake is September, with options for mid year starts – January / April subject to numbers
