

Apprenticeship Standard - L3 Motor Vehicle Service & Maintenance Technician (Light Vehicle)

What is this Apprenticeship about?

This Apprenticeship will help to upskill existing staff working within the sector or we can help you recruit apprentices wishing to pursue this career.

Apprentices will gain the skills to carry out light vehicle maintenance & inspections including servicing, diagnosing, repairing & replacing faulty parts & maintaining records.

Our tailored training will precisely match your needs, resulting in a well-trained, capable workforce. Delivery will be a mix of day release using our state of the art facilities & in the workplace, providing a cost effective method of training & upskilling your staff. An industry specialist Assessor will support you & your Apprentice throughout the process.

How is this Apprenticeship delivered?

On and off the job training in the workplace, with weekly days release to Stoke on Trent College.

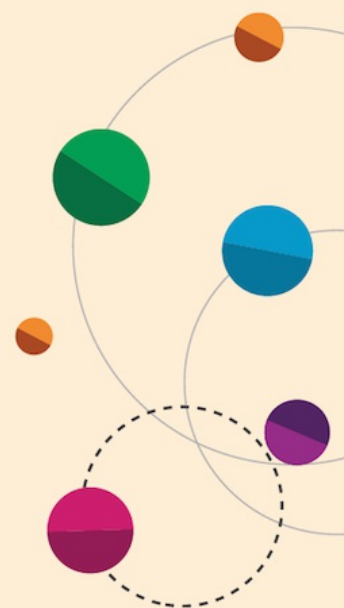

What else do I need to know?

Main intake is September, with options for mid year starts – January / April subject to numbers
