

L3 Heavy Vehicle Service & Maintenance Technician

What is this Apprenticeship about?

“This Apprenticeship will help to upskill existing staff working within the sector or we can help you recruit apprentices wishing to pursue this career.

Apprentices will gain the skills to carry out heavy vehicle maintenance & inspections including servicing, diagnosing, repairing & replacing faulty parts & maintaining records.

Our tailored training will precisely match your needs, resulting in a well-trained, capable workforce.

Delivery will be a mix of day release using our state of the art facilities & in the workplace, providing a cost effective method of training & upskilling your staff. An industry specialist Assessor will support you & your Apprentice throughout the process.

“
