

Apprenticeship Pharmacy Services

What is this Apprenticeship about?

This Pharmacy Services Apprenticeship will help to upskill existing staff working within the sector or new apprentices who have enthusiasm & commitment to the role. You will receive help recruiting any new staff.

Apprentices will develop the skills & knowledge to work alongside the Pharmacist providing an efficient & safe service to patients.

We will design a tailored training package, precisely matched to your needs, resulting in a well-trained, up to date workforce. Delivery will be a mix of day release using our state of the art facilities & delivery in the workplace, providing a cost effective method of training & upskilling for your staff. An industry specialist Assessor will support you & your Apprentice throughout the process.

How is this Apprenticeship delivered?

On & off the job training in the workplace, plus one day per month at Stoke on Trent College.

What else do I need to know?

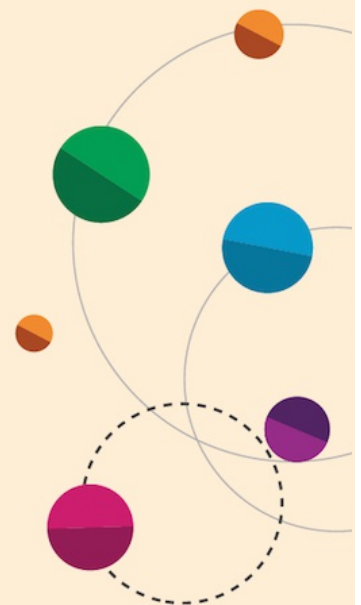

Three start points throughout the year – September, January and May
