

# Apprenticeship Standard - L3 Supply Chain Practitioner

## What is this Apprenticeship about?

This Apprenticeship will help to upskill existing staff working within the sector or we can help you recruit new apprentices wishing to pursue this career.

Apprentices will gain the skills to manage the ordering & delivery of materials & provisions of agreed services under the contracts with suppliers. To monitor & evaluate the performance of suppliers against the service level agreement for the appropriate contract.

We will tailor a training package, precisely matched to your needs, resulting in a well-trained, up to date workforce. Delivery will be in the workplace, providing a cost effective method of training & upskilling your staff. An industry specialist Assessor will support you & your Apprentice throughout the process.
