

Apprenticeship Standard - L2 Supply Chain Operator

What is this Apprenticeship about?

This Apprenticeship will help to upskill existing staff working within the sector or we can help you to recruit new Apprentices.

Apprentices will gain the skills to manage the movement of goods for customers. Their skills will influence the customer experience & help you to improve your quality service.

We will design a tailored training package, precisely matched to your needs, resulting in a well-trained, up to date workforce. Delivery will be in the workplace, away from the workstation, providing a cost effective method of training & upskilling your staff. An industry specialist Assessor will support you & your Apprentice throughout the process.

How is this Apprenticeship delivered?

On and off the job in the workplace

What else do I need to know?

Regular intakes throughout the year, monthly

Skills may include:

- managing the movement of goods for a variety of customers across all sectors-
- dealing with customers, large global organisations to sole traders and private customers in local areas
