

Apprenticeship Standard - L3 Plumbing and Domestic Heating Technician

What is this Apprenticeship about?

This Apprenticeship will help to upskill existing staff or we can help you recruit new apprentices who wish to pursue this career.

On completion the candidate will have satisfied the requirements for registration as EngTech by the Engineering Council through The Chartered Institute of Plumbing & Heating Engineering (CIPHE) & or The Chartered Institute of Building Services Engineers (CIBSE).

Our tailored training will precisely match your needs, resulting in a well-trained, capable workforce. Delivery will be a mix of day release using our state of the art facilities & in your workplace, providing a cost effective method of training & upskilling your staff. An industry specialist Assessor will support you & your Apprentice during the process

How is this Apprenticeship delivered?

On and off the job training in the workplace, and weekly day release at Stoke on Trent College.

What else do I need to know?

Main intake is September, with options for mid year starts – January / April subject to numbers.
