

Apprenticeship Improving Operational Performance - Performing Manufacturing Operations

What is this Apprenticeship about?

This Apprenticeship will help to upskill existing staff working within the sector or we can help you recruit new apprentices.

Apprentices will gain skills & competences to work in a wide range of engineering disciplines. Our apprentices participate in competitions, such as World Skills at a national level.

Our tailored training will precisely match your needs, resulting in a well-trained workforce. Delivery will be a mix of day release using our new modern facilities & in your workplace, providing a cost effective method of training & upskilling your staff. An industry specialist Assessor will support you & your Apprentice throughout the process.

How is this Apprenticeship delivered?

On and off the job training in the workplace, you will also have the opportunity to use the comprehensive and modern facilities here at Stoke on Trent College.

What else do I need to know?

Regular starts throughout the year, monthly.

Course code
FR0414102P/A1

No. of weeks/duration
