

Apprenticeship Improving Operational Performance - Business Improvement Techniques route

What is this Apprenticeship about?

This Apprenticeship will help to upskill existing staff working within the sector or we can help you recruit apprentices wishing to pursue this career.

Apprentices will gain skills to identify inefficiencies, continuously improve processes, identify potential cost reduction & improve lead times.

Our tailored training will precisely match your needs, resulting in a well-trained, capable workforce. Delivery will be in the workplace, providing a cost effective method of training & upskilling your staff. An industry specialist Assessor will support you & your Apprentice throughout the process.

How is this Apprenticeship delivered?

On and off the job training in the workplace, you will also have the opportunity to use the comprehensive and up to date facilities here at Stoke on Trent College. The Learning Resources Centres are designed to help students by offering information technology facilities, workshops and libraries.
