

# Advanced Apprenticeship Cleaning & Environmental Support

## What is this Apprenticeship about?

This Apprenticeship will help to upskill existing staff working within the sector or we can help you recruit new apprentices wishing to pursue this career.

Apprentices will have overall responsibility for the day-to-day cleaning operation so that the building and its surrounding area are clean and safe for people to live or work in. Undertaking cleaning tasks with additional responsibilities like administration and supervision.

Our tailored training will precisely match your needs, resulting in a well-trained, capable workforce. Delivery will be in the workplace, providing a cost effective method of training & upskilling your staff. An industry specialist Assessor will support you & your Apprentice throughout the process.

## How is this Apprenticeship delivered?

On & off the job within the workplace

## What else do I need to know?
