

## L2 Apprenticeship Improving Operational Performance

### What is this Apprenticeship about?

This Apprenticeship will help to upskill existing staff working within the sector or we can help you recruit new apprentices.

Apprentices will gain skills & competences to work in a wide range of engineering disciplines. Our apprentices participate in competitions, such as World Skills at a national level.

Our tailored training will precisely match your needs, resulting in a well-trained workforce. Delivery will be a mix of day release using our new modern facilities & in your workplace, providing a cost effective method of training & upskilling your staff. An industry specialist Assessor will support you & your Apprentice throughout the process.

### How is this Apprenticeship delivered?

On and off the job in the work place, with weekly day release to Stoke on Trent College

### What else do I need to know?

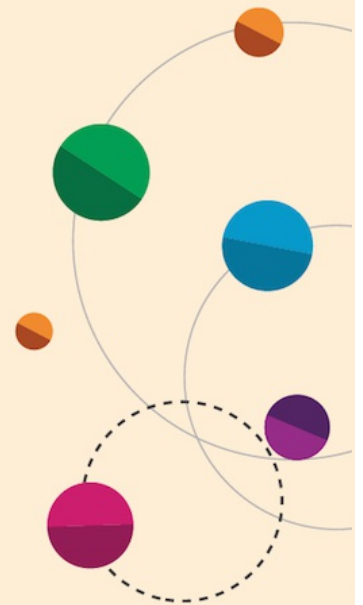

Main intake is September, with options for mid year starts – January / April subject to numbers
