

L2 Apprenticeship Cleaning & Environmental Support

What is this Apprenticeship about?

This Apprenticeship will help to upskill existing staff working within the sector or we can help you recruit new apprentices wishing to pursue this career.

Apprentices will develop skills & understanding of their job role & the impact it has on the business, by gaining expert knowledge of the cleaning industry & its requirements. Improving efficiency & effectiveness of working practices by using up to date methods & specialist techniques.

Our tailored training will precisely match your needs, resulting in a well-trained, capable workforce. Delivery will be in the workplace, providing a cost effective method of training & upskilling your staff. An industry specialist Assessor will support you & your Apprentice throughout the process.

How is this Apprenticeship delivered?

On & off the job within the workplace

What else do I need to know?

Regular intakes throughout the year, monthly
