

Apprenticeship Standard (3) Learning & Development

What is this Apprenticeship about?

This Apprenticeship will help to upskill existing staff working within the sector or we can help you recruit new apprentices wishing to pursue this career.

Typically, your apprentice would work alongside colleagues who specialise in Human Resources, assisting with identifying, designing or sourcing training and learning solutions, delivering and evaluating training, and working with a variety of stakeholders.

We will customise the Apprenticeship to match your needs, resulting in a well-trained up to date workforce.
