

## L3 Advanced Apprenticeship in Business Improvement Techniques

### What is this Apprenticeship about?

This Apprenticeship will help to upskill existing staff working within the sector or we can help you recruit apprentices wishing to pursue this career.

Apprentices are encouraged to develop practices that can maximise profit by eliminating waste, improving workflow & reducing cost & variation. It is beneficial for your staff to have an appropriate Level 2 qualification prior to start.

Our tailored training will precisely match your needs, resulting in a well-trained, capable workforce. Delivery will be in the workplace, providing a cost effective method of training & upskilling your staff. An industry specialist Assessor will support you & your Apprentice throughout the process.

### How is this Apprenticeship delivered?

On and off the job training within the workplace. You will also have the opportunity to use the comprehensive and up to date facilities here at Stoke on Trent College. The Learning Resources Centres are designed to help students by offering information technology facilities, workshops and libraries.

### What else do I need to know?

Regular intakes throughout the year, generally monthly.
