

L3 Advanced Apprenticeship - Logistics Operations Management

What is this Apprenticeship about?

This Apprenticeship will help to upskill existing staff working within the sector or we can help you recruit apprentices wishing to pursue this career.

Apprentices will gain skills in managing team performance, health & safety, customer service & scheduling the movement of goods by road, rail, sea or air. Improving efficiencies & moving towards a lean & progressive business.

Our tailored training will precisely match your needs, resulting in a well-trained, capable workforce. Delivery will be in the workplace, providing a cost effective & efficient means of upskilling your staff. An industry specialist Assessor will support you & your Apprentice throughout the process.

How is this Apprenticeship delivered?

On and off the job training within the workplace
